XM is the best thing that's happened to broadcasting in a number of years. The fact that they offer traffic, 24-hours a day is of critical impact to the millions of drivers who hit the highways everyday...all day. Way to often in the middle of the day, or night, when MOST stations DON'T give traffic, there's a major traffic problem. I use to sit and wonder why. Now with XM I KNOW why, plus alternatives that I can take. It's wonderful!!! So PLEASE...PLEASE...PLEASE don't take this away from us. Life is MORE TOLERABLE traffic wise, and Musically just AWESOME!!!!
